## Pricelist PICO 2013

Type	Information	Price / Piece
KT 100	turbine complete (without jet adjustment, without control system) $P_{\max} = 100$ watt inclusive rectifier	€ 1.490,00
KT 340	turbine complete (without jet adjustment, without control system) $P_{\max} = 340$ watt inclusive rectifier	€ 1.790,00
KT 100 / 340	control system for battery charging inclusive charge regulator, without inverter	€ 1.700,00
KT 1000	turbine complete (without jet adjustment, without control system) $P_{\max} = 1000$ watt without rectifier	€ 2.590,00
KT 1000	control system for battery charging incl. charge regulator and rectifier without inverter	€ 2.200,00

component part	Price / Piece
manual jet adjustment inclusive pressure gauge	€ 200,00
ball cock 24V on/off emergency set function with spring reset	€ 500,00
maintenance-free battery 12V/180 Ah recommended battery system: 24V	€ 220,00
MPPT-charge regulator with LCD display	€ 620,00
inverter on inquiry	€
